Monday 19<sup>th</sup> April 2021,

Dear Parents / Carers,

A warm welcome to Anker Valley Primary Academy. It is wonderful to hear that your child will be joining us in September as part of our founding cohort. We are really looking forward to providing an exciting, inspiring and memorable Primary Education for your child within our caring learning family. Starting primary school is a precious moment for all children and families and we are here to make this very special and supportive for everyone involved.

My name is Natalie Horlor and I have the privilege of being the Head of School at Anker Valley Primary Academy; having worked in education for over fifteen years, I can truly say what an honour it is to be part of the development of a new school, where our children will grow, thrive and learn with confidence and curiosity. Your children will have a truly wonderful time at our school and we are proud that we will be part of this very exciting chapter for your child.

The core values that we will develop in our children through our curriculum, are as follows and we look forwarding to ensuring that your child prospers within our ambitious school where we *'ensure excellence for all.'*

Due to the current social distancing measures in place and the building project at Anker Valley, we are unable to confirm any precise details about home visits, induction meetings or stay and play sessions for your child. However, we will be creating a 'Welcome to Reception' page within the 'Parents' section on our website ([www.ankervalley.org](http://www.ankervalley.org)). Within this area, we will add information about our school which you will be able to share with your child along with videos

which will allow your child to get to know our school even better. We are aiming to add to this section by Monday 3rd May, so please do take a look from this date. Following the launch of this area, we will add new clips and information to the site each week for you to read and share.

If any of your details have changed since making your application for a Reception place at our school (e.g. contact numbers, email address, home address, etc), please could we ask that you email [office@ankervalley.org](mailto:office@ankervalley.org) with your most up-to-date email address, so that we can contact you in the future about transition opportunities. When emailing, please ensure that you include the name of your child.

Furthermore, from the 17th May, myself or Mrs Hamblin (Executive Headteacher) will be phoning parents to answer any questions that you may have about our school and for you to share information about your child with us. We feel that it is important for you to be able to do this and it will be lovely to speak to you too.

In the meantime, please do refer to the information on our school website and if we can be of any further support please do not hesitate to contact us.

Warmest wishes,

Mrs. Natalie Horlor  
Head of School
